

Date: 10th January 2019

Walk-in interview for JRF position in a DST sponsored project

Applications are invited from interested and enthusiastic eligible candidates to work on the DST funded project as a JRF, at NIPER Hyderabad in the area of organic synthesis. The candidate must have M.Sc in Organic Chemistry or M.Pharm (medicinal chemistry). At least 1 year of academic/ industrial/ research experience is preferable. The duration of the fellowship is for one year only.

Interested candidates must attend a walk-in interview on 29.01.2019 (Tuesday) at 10.00 AM. The selected candidate will be required to start working on the project within one week from the date of selection.

- **No TA/DA will be paid to participate in the interview process or to join the institute.**
