NIPER **SYNERGY - 2018** NIPER - PHARMA INDUSTRY MEET

Date: 23rd August, 2018

Venue: NIPER

INVITATION

On behalf of NIPER Hyderabad, I take the pleasure of inviting you to “NIPER-Synergy 2018” a one day workshop to discuss on the Role of Academia in Strengthening the Indian Pharma on 23rd August, 2018. The workshop is being organized with the support of Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India. The objective of the meet is to facilitate the interaction between various stake holders from the Academia and Pharmaceutical Industry and to discuss at length the challenges, opportunities and the way forward. The meet will have keynote addresses / invited talks / panel discussions by eminent Speakers, Policy Makers, Leaders from Pharmaceutical Industry and Academia.

You are cordially invited to attend the workshop and share your valuable inputs for further growth of Pharmaceutical Industry –

Dr Shashi Bala Singh, FNASc., FAMS, FIAN
Director, NIPER Hyderabad.

ABOUT THE MEET

Pharmaceutical Industry in India has made significant progress since Independence and achieved leadership position in the global generic market. In recent years, Hyderabad, the capital city of Telangana has emerged as a pharmaceutical hub of India with the city alone accounting for one third of India's total drug production. For further strengthening of the Pharmaceutical Industry in this region, the Telangana Government has initiated establishment of Pharma City with world class infrastructure equipped with excellent facilities such as Integrated Industrial Township, Pharma University, R&D centre and Skill Development Centre among others. Also, several key policy initiatives such as Cluster development & Strengthening of Industry-Academia linkages etc., are being taken by Government of India to promote Pharmaceutical Industry.

Some of the discussion topics during the summit:

- Indian Pharmaceutical Industry: Current Scenario and Future Prospects
- Regulatory and IPR landscape
- Cluster Development
- Skill Development Programmes : Lessons learned and way forward
- Role of Academia to support Pharmaceutical Industry: Gaps and way forward
- Promotion of medium and small scale Industries: Role of Funding Agencies & Academia
- Start Up Industries in Life Sciences : Challenges and way forward

NIPER-HYDERABAD

NIPER-Hyderabad is an "Institute of National Importance" established with proclaimed objectives of becoming a Centre of Excellence for Advanced Learning and Research in Pharmaceutical Sciences & Management. It has been functioning under the aegis of Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers (Govt. of India), as one of the six new NIPERs since 2007, in the premises of erstwhile R&D centre of IDPL, Balanagar, Hyderabad.

NIPER Hyderabad in its brief journey has established itself to be a leader in Pharmaceutical Education & Research winning several laurels. The Institute is equipped itself with the state of the art laboratories and advanced instrumentation to carry out cutting edge research in the areas of Pharmaceutical Importance. The Institute is also actively engaged in several Industry/Institute collaborations and several joint projects are being pursued.
