Advertisement for Junior Research Fellow (JRF)

Date: 06-10-2022

Applications are invited for the post of Junior Research Fellow (JRF) to work on the following project sponsored by Science and Engineering Research Board, Department of Science and Technology, Government of India (SERB-SRG) under the supervision of Dr. Amol G. Dikundwar in Solid State Characterization group at Department of Pharmaceutical Analysis, NIPER Hyderabad.

Title of the Project: Co-amorphous Forms for Bioavailability Enhancement of Poorly Soluble Drugs: Design, Synthesis, Characterization, and in vivo studies

No. of Vacancy (JRF): One

Essential Qualifications: M. Pharm. / M. S. Pharm with Pharmaceutics/Pharmaceutical Technology/Pharmaceutical Analysis specialization or M. Sc. Chemistry/Physics with Materials Science specialization/curriculum. Candidates with sound knowledge and demonstrated experience (e.g. Masters project thesis) in the field of solid state pharmaceutics are preferred. Age not exceeding 35 years as on the last date of application.

Salary: 31,000/- per month (plus HRA as per DST norms)

How to Apply: A detailed resume including applicant's personal details with photograph, educational background, statement of purpose, professional reference for recommendation, and copy of all credentials should be submitted by email (amol.dikundwar@niperhyd.ac.in). Incomplete application will not be considered.

Last Date of Application: 29th October 2022

Date of Interview: Interviews will be held as soon as possible thereafter.

Note: Only shortlisted candidates will be intimated to appear for an interview (Online or Offline); no TA/DA will be paid for attending the same.
