

IMPORTANT NOTE FOR THE PARTICIPANTS OF NIPER JEE 2021

We have received several queries from the participants of NIPER JEE 2021 related to uploading their Category Certificates, submission of Qualifying Degree Certificate, All India Consolidated Ranking, Category–Wise Ranking, dates for PhD Interviews etc. Here is a concise reply addressing all the individual queries:

1. Consolidated status of candidates according to their application form and incorporating their Name, Hall Ticket Number, Category, Special Category (if any e.g. EWS and PwBD), Marks scored by them and All India Ranking is available on the NIPER JEE Portal. All the candidates are required to go through the uploaded latest status on the NIPER JEE Portal to get the answer of their queries. Majority of the queries are related to that information which are already available in the Masters/PhD brochure of NIPER JEE 2021.
2. All those candidates who are not able to submit their qualifying degree certificate because of any reason(s), they will be allowed to appear in the web-counselling subject to submission of qualifying degree at the time of commencement of 1st Semester Examination of the course in which they have got the admission, otherwise, their admission will be cancelled and the fee paid by them will be forfeited.
3. The proforma of affidavit to be submitted by all the candidates irrespective of their category, has already been uploaded to NIPER JEE Portal. It is mandatory for all. All the candidates who are seeking admission through web-counselling must submit duly filled and notarized Rs. 10/- Non-Judicial Stamp Paper, otherwise, they will not be allowed to participate in web-counselling. If Rs. 10/- Non-Judicial Stamp Paper is not available, any non-judicial stamp paper having any other value may be used for the purpose of affidavit.
4. If any required certificate is not available with the candidate before or at the time of web-counselling, they may provide such certificate compulsorily for the purpose of physical verification, when they report to the respective NIPER where they have got admission, otherwise, their admission will be cancelled and the fee deposited by them will be forfeited.
5. Regarding PhD admission, ranking will be given after successful completion of the interviews. The schedule of interviews for PhD admission in different subjects along with the shortlisted candidates for interview will be uploaded to the website shortly. No query will be entertained regarding the candidates who are not shortlisted for interview. All the shortlisted candidates will be intimated about the schedule of interviews through registered email.
