Advertisement for Research Associate

Date: 13-09-2021

Applications are invited for a Postdoctoral Research Assistant in enzymatic Catalysis for organic synthetic transformations, to work under the supervision of Dr. Priyanka Bajaj for a period of up to 12 months. The project involves developing enzymatic catalysts and enabling the small chemical transformations.

No. of Vacancy: One

Qualifications:

The candidate should have a strong interest in understanding chemical aspects of biology and have a PhD (or be close to completion) in synthetic Chemistry, Biochemistry, Microbiology, Biotechnology, Bio-catalysis or Chemical Biology prior to taking up the appointment. **Experience in gene cloning, PCR, Protein expression and purification, HPLC, organic synthesis and enzymatic catalysis will be preferred.**

How to Apply:

A detailed resume including applicant's personal details with photograph, educational background, statement of purpose, name of two referees, and copy of all credentials should be submitted by email (pbajaj.04@niperhyd.ac.in). Incomplete application will not be considered.

Last date of receiving applications is 30th September, 2021.

Interview date: Interviews will be held as soon as possible thereafter.

Note: Only shortlisted candidates will be intimated to appear for an interview (Online or Offline); no TA/DA will be paid for attending the same.
