Advertisement for Student Internship

Applications are invited for a **Student Internship position** in the area of 'nutritional immunotherapy interventions and preclinical validation' to work under Dr. Anamika Sharma's supervision for 2 months. The project is funded by DST-SERB-SRG (SRG/2023/001471). The position is purely temporary in nature.

No. of Vacancy: One

Essential Qualifications:

The candidate should have or be pursuing a Master's degree (**M. Pharm. in Pharmacology or Master's degree in Biotechnology**). Candidates having experience in 'Animal cell culture techniques and/or laboratory animal experimentation along with Molecular biology, and Immunological techniques' will be preferred.

Internship stipend: Rs 5,000 consolidated

How to Apply:

A detailed application as per attached format including the applicant's personal details, educational background, along with photocopies of all credentials in **a single PDF document to be sent to anamika.niperhyd@gmail.com** with the **subject 'Application for Student Internship'**. Incomplete applications, including applications not as per attached format, will not be considered for screening.

The last date for receiving applications is 15 days from publishing advertisement on the NIPER Hyderabad website (25/09/2024).

Selection method: Selection will be made based on screening of Curriculum vitae as per application format received against the advertisement. Only selected and waitlisted candidates (if any) will be informed.

Contact Details:

Dr. Anamika Sharma (Principal investigator)
NIPER-Hyderabad, 500037.

Email: anamika.niperhyd@gmail.com

- No canvassing in any form will be entertained.
- No TA/DA will be paid for attending the interview.

Note: The post will be governed as per the terms and conditions of DST SERB (funding agency).
