

Welcome to

## **Hands-on experience with modelling *in vitro* metabolism, transport and dissolution experiments (SIVA) and IVIVE to PBPK models (Simcyp Simulator):**

Tailored workshop on *in vitro in vivo* extrapolation of metabolism, transport and biopharmaceutics and hands on exercises using industry standard Simcyp population based Simulator for PBPK modelling, formulation development and DDI predictions

## **Workshops Agenda**

April 09-11, 2019

NIPER Hyderabad  
40 Dilip Road, Jinkalwada, Balanagar  
Hyderabad, Telangana 500037
